**PRECISION DIAGNOSTICS PATIENT ASSISTANCE PROGRAM APPLICATION**

Precision Diagnostics is committed to treating all patients equitably, with dignity and respect regardless of the patient's health care insurance benefits or financial resources. Precision Diagnostics works hard to help patients address any financial responsibilities they may have to pay for our laboratory services in a way that is fair and sensitive to their circumstances. Consistent with California and federal law, Precision Diagnostics has instituted this Patient Assistance Program to help patients who find themselves unable to pay the entire amount of the lab testing due to financial hardship, as determined under Federal Poverty Guidelines.

Eligible uninsured or underinsured patients may apply for a Financial Hardship Discount to the Patient Cash Price of Precision Diagnostics lab testing services by completing and signing this Application Form. Eligible Patients are encouraged to apply for a Financial Hardship Discount prior to making any payment to their account. As part of the Patient Assistance Program, Precision Diagnostics reevaluates all eligible patients at least annually. Precision Diagnostics reserves the right to request that any eligible patient submit any supporting documentation for proof of eligibility and/or continuing eligibility. The amount of Financial Hardship Discount will be determined based on Federal Poverty Guidelines for the year applied, the Financial Hardship Discount is calculated based on income:

**To be eligible for a Financial Hardship Discount:**

- **You must be uninsured or underinsured for the Precision Diagnostics lab testing services.**
- **Precision Diagnostics must have received a valid order for Precision Diagnostics lab testing services from your treating healthcare provider confirming the testing services are medically necessary for your treatment.**
- **Your household income must be at or below 300% of current Federal Poverty Guidelines (above).**
